CAREER OBJECTIVE

Passionate and dedicated undergraduate student pursuing a Bachelor's degree in Computer Science & Engineering with a strong desire to leverage my skills to excel in Software Industry.

EDUCATION

Bachelor of Technology

2021 - 2025

Computer Science and Engineering

Bhimavaram

Shri Vishnu Engineering College

For Women

CGPA : 82.7 (till now)

Board Of Intermediate Education

2019 - 2021

Sri Chaitanya Junior College

Vijayawada

Per : 92.3%

Secondary School Certificate

Holy Trinity E.M High School

Per : 97%

2018 - 2019

Dharmajigudem

SKILLS

-
- C language
 - Python
 - HTML,CSS,JavaScript(basics)
 - Data structures(Basics)
 - Problem solving and complexity analysis

Presentation and communication skills

LANGUAGES

Telugu(native)

English

CERTIFICATES

Introduction to Cloud

September 11 2023

IBM

APPATHON-2023 Certificate of Accomplishment

Boot Camp on Android App Development from 17-18 March 2020 and APPATHON from 01 April 2023 8AM to 02 April 2023 8Am

Department Of Computer Science &Engineering Of Shri Vishnu Engineering College For Women(A)

PROJECTS

SVECW PROJECT GUIDE

Worked with team of five members to create website to maintain the Brief description ,approaches and details of the persons who did the project,main moto of this project is to avoid replicate projects and to improve the features of a project. The scope of the project is in our campus only.

Used Technologies HTML,CSS and JavaScript etc.

Electricity Demand Forecasting

Energy demand forecasting is the process of predicting the amount of energy that will be required in the future. This information is crucial for energy companies and policymakers, as it helps them plan for future energy needs, allocate resources, and make informed decisions.

Used technology is Machine Learning
